# SPRING CLUB DESCRIPTIONS

**K-3 Let's Move It (Mondays, through April 16):** This club will feature fun indoor and outdoor activities such as: strength building, athletic games, cardio exercise, hip hop and jazz dance.

Leader: [jordan.rhudy@mysota.net](mailto:jordan.rhudy@mysota.net)

**3-5 Lego Engineering Club (Mondays, through April 16):** Design and build your very own Lego structures with friends while furthering your knowledge of more advanced concepts surrounding robotics and engineering.

Leader: [beth.mandeline@mysota.net](mailto:beth.mandeline@mysota.net)

**4-8 Recycled Art Club (Mondays, through April 16):** Go green and make art projects out of recycled materials! We also have the aquaponics system up and running, so students can harvest organic plants and prepare for selling to support an outdoor school garden.

Leaders: [erin.ryan@mysota.net](mailto:erin.ryan@mysota.net) and [lauren.west@mysota.net](mailto:lauren.west@mysota.net)

**5-8 Young Entrepreneurs Academy (Mondays, through April 16):** Ever wondered what it would be like to own your own business? Do you dream of being a famous entrepreneur one day? This club puts the tools and technology used to create a winning business plan right into your hands. Students will go from idea generation to presentation of their prototype/business idea and business plan under the guidance of Mrs. O'Brien. Learn skills such as creating an elevator pitch, marketing communications, branding, product development and management, how to hire a winning team, SWOT Analysis, and how to increase productivity.

Leader: [jenn.obrien@mysota.net](mailto:jenn.obrien@mysota.net)

**K-2 Lego Robotics Club (Tuesdays):** Design and build your very own Lego structures with friends while learning the basics of robotics and engineering.

Leader: [beth.mandeline@mysota.net](mailto:beth.mandeline@mysota.net)

**2-5 Crafts & Culture (Tuesdays):** Students will creatively design, make, and take home their very own wampum belt while learning about the belt's history and other cultures!

Leader: [hannah.taylor@mysota.net](mailto:hannah.taylor@mysota.net)

**3-8 Inventors Club II (Tuesdays):** Be an innovative and resourceful inventor by learning about engineering and creating your own scientific inventions with Mr. & Mrs. Chroniak! Participation in Inventors Club Part 1 is **not** required to join this spring club.

Leaders: [john.chroniak@mysota.net](mailto:john.chroniak@mysota.net) and [jennifer.chroniak@mysota.net](mailto:jennifer.chroniak@mysota.net)

**6-8 Photography & Yearbook Club (Tuesdays):** Students will learn basic photography and assist in the design, layout and production of the Gardens School of Technology Arts 2017-18 yearbook. Students will use school devices to take photos and learn how to use photo editing apps! All club members will make a special photo project.

Leader: [jennifer.ciampi@mysota.net](mailto:jennifer.ciampi@mysota.net)

**K-2 Lego Robotics Club (Wednesdays):** Design and build your very own Lego structures with friends while learning the basics of robotics and engineering.

Leader: [beth.mandeline@mysota.net](mailto:beth.mandeline@mysota.net)

**2-5 Math Strategy Games & Logic Puzzles (Wednesdays):** Students will play challenging math games and figuring out brain teasers in this mind-bending club. Activities will include code breaking board games, card games and puzzling puzzles!

Leader: [jennifer.ciampi@mysota.net](mailto:jennifer.ciampi@mysota.net)

**4-8 Dance Club (Wednesdays):** Enjoy learning the basics of jazz and contemporary dance with your friends through weekly cardio & strength training warm-ups, across-the-floor combinations and fun dance choreography!

Leader: [jordan.rhudy@mysota.net](mailto:jordan.rhudy@mysota.net)

**5-8 Drama Club (Wednesdays):** Students will try out for parts in a play, then they will practice and finally perform for an audience. Drama club will be a means of developing empathy, promoting academic growth and empowering the individual through self-expression.

Leaders: [leslie.boatman@mysota.net](mailto:leslie.boatman@mysota.net), [jenn.obrien@mysota.net](mailto:jenn.obrien@mysota.net) and [sarah.speegle@mysota.net](mailto:sarah.speegle@mysota.net)

**K-5 Cheerleading Club (Thursdays):** Learn cheers, basic poses, and beginner stunts while building school spirit! *[Additional cost for uniforms TBD]*

Leaders: Ms. Goode & Mrs. Signorelli - [cheer@mysota.net](mailto:cheer@mysota.net)

**3-5 Mixed Media with the Masters (Thursdays):** We will use different mediums and create art inspired by famous artists in this fun club! Students will learn a little art history along with each creative fine art lesson.

Leader: [jennifer.griffin@mysota.net](mailto:jennifer.griffin@mysota.net)

**6-8 Fishing Club (Thursdays):** Partnering with the Florida Fishing Academy, this club is for students who have not been in Fishing Club yet this year. Participants will learn about knot tying (how to tie on lures and hooks), fishing safety, and Florida Fishing regulations and have the opportunity to get their license and receive a fishing pole. This club also includes a 4-hour offshore fishing trip on a Saturday or Sunday in the spring - date TBD based on weather conditions.

Leaders: [erin.ryan@mysota.net](mailto:erin.ryan@mysota.net) and [lauren.west@mysota.net](mailto:lauren.west@mysota.net)

**6-8 3D Art Club (Fridays, through April 20):** Enjoy learning about digital art and design. We will be using different iPad applications to design art focusing on some photography and word art, while also incorporating hands-on art techniques with digital technology.

Leader: [sarah.speegle@mysota.net](mailto:sarah.speegle@mysota.net)
